

Product Information Sheet

Swing Tickets & Hang Tags

Often being the first item of brand identification, we can ensure that you have the perfect swing ticket for promoting your quality garments and accessories. There are a wide range of options available including choices from a range of materials, processes and finishing.

Material Options

We offer a range of material options for you to choose what best suits your requirements. Options available include;

Paper & Card
Fabric & Canvas
Plastic
Wood
Metal
PU

These materials can be combined together to achieve your desired look. Samples of all these material options can be found on pages 2-11.

Processes & Finishing Options

Some of the available processes available include:

Matt & Gloss Laminating
Spot UV
Embossing & Debossing
Staining & Distressed Effects
Foil Stamping
Die Cutting

For attaching your swing ticket to your garments and accessories, we offer a range of strings, cords, ribbons, seals and safety pins. Where this is required, the use of a plastic or metal eyelet is a popular option with our customers.

We have included samples of string, ribbons & cords on pages 11-15. If you would like a string that is not featured then please send us the details and we will be happy to find a match.

Minimum Order Quantity & Lead Times

The minimum order quantity for swing tickets is just 1,000 pieces. The lead times for production are approximately 2-3 weeks.

Quotations

We are happy to provide quotations on existing swing tickets as well as new developments. If you would like a quotation please provide us with the following information.

Existing Item

Please provide a physical sample of the swing ticket and if possible, the original artwork files.

New Development

Please provide artwork or sketch with size, colours and finishing information.

Please also include details of the quantities you would like quotations for.

Artwork Requirements

For quotation purposes we are able to accept a sketch or a jpeg/bitmap image file. For production we require the artwork file in either **AI**, **PDF**, **PSD** or **EPS** format. Please ensure that all text is created to outlines and Pantone colour references are given.

If you need any assistance with creating the artwork, or if you would like suggestions on any other aspect of your swing tickets then please do not hesitate to contact us, we will be happy to help.
